Why we must pay to attend

There are many AA gatherings held throughout the region.

One of the most common misconceptions of these gatherings is that they are AA meetings; and since “There are no dues or fees for AA membership...”there should be no fees to attend. Gatherings are special events, not regular meetings. They require months of planning, preparation, and money to present. Since most events are held in hotels/convention centers, there is a charge for the use of the facility.

Along with the Facility’s charge, the hotel/convention center will require that the group purchase coffee and food. Other expenses include travel and lodging for conference speakers (they are never paid a fee for speaking), printing of flyers, schedules,badges, postage and supplies. A large event requires a lot of money to present.

The Fellowship by the Lake is self-supporting. **No group monies are used to pay for the event. The cost of the event is paid through registration fees.** No baskets are passed. The goal is to break even; therefore, the registration fee is nominal compared to a weekend’s worth of entertainment anywhere else or our last drunk. Attendance is

voluntary, and as responsible,
AA members we pay our own way.
